*Fragrance is the aromatic compound  
of plants and flowers,  
it is also important to know that  
synthetic chemicals are abundantly use  
today to mirror natural scents.*

*The use of these petroleum base ingredients  
is raising concerns to possible health issues  
ranging from allergies to cancer.*

*For over 20 years “The Genie” has applied his  
expertise and intuition for practical  
applications of Essential Oils and their  
powerful benefits for the body and the mind.*

Pure Therapeutic Essential Oils*

*100% Natural Ingredients*

*Satisfaction Guaranteed!*

### **How do Blends work?**

*The first impression comes with a fragrant wave of high notes, which are outlined by the balancing effect of the middle notes that surface moments after, then followed by deeper and warm lasting base notes.*

### **How do Essential Oils work?**

*Scents are enticing, their compounds can affect us in many ways, sometime with subtle approach other times by simply empowering us mentally, emotionally or spiritually.*

*They are powerful enough to lift our Souls and gentle enough to calm our crowded Minds.*

*The Holistic Spirit Blends cover a wide spectrum of aromas and can be used either by women or men.*

*The Holistic Spirit Blends  
A synergy of Pure Essential Oils  
carefully designed into original and  
exquisite blends.*
