

The Genie

After studying herbology for several years, learning about the healing power of plants, Eugene "The Genie" started to explore, in depth, the world of Essential Oils by acquiring some of the knowledge accumulated over centuries and the various benefits associated with them.

For over 20 years he has applied his expertise and intuition for practical applications of Essential Oils and their powerful benefits for the body and the mind.

Pain's Gone

X-TRASTRENGTH

Therapeutic Pain Relief
100% Natural Ingredients
Satisfaction Guaranteed!

*We believe that “Pain’s Gone”
will help comfort an aching
body and a tired mind!*

Pure

*This maximum strength potency
can be mixed with a carrier oil or
carefully added after applying the
“Massage Oil” or the “Salve” for a
faster & deeper pain relief.*

Roll-On

*Quick and easy to carry roll-on
applicator, in your pocket or purse,
with the concentration
of the “Massage Oil” mixture.*

Massage Oil

*Mixture of the “Pure” blend
in a Coconut Carrier Oil.
This combination gently
penetrates and soothes with
it’s medicinal properties.*

Salve

*Made with a combination of
Shea Butter, Tucuma Butter and
Castor Seed Wax providing a pro-
tective barrier for long lasting
benefits to the body.*

*“The Original **Pain’s Gone**”
Is an amalgamation of meticulously
put together pure essential oils
with a fine balance of
analgesic, anodyne,
anti-inflammatory and
antispasmodic properties.*

*“**Pain’s Gone**” **X-TRASTRENGTH**
Focuses on the powerful analgesic
and anesthetic properties of
the essential oils used with
fast acting components,
giving it a “Cool/Heat” relief effect.*

*It has been known thru the ages, and
scientifically proven, that plants with
their active elements do alleviate a
variety of ailments like body aches,
including arthritic and joint pain,
also are efficient in helping to reduce
inflammation due to over-exertion.*
